

2021 Etchells US National Championship  
June 17-20, 2021

Organizing Authority: Etchells Fleet 4 and Corinthian Yacht Club

Greetings Etchells Fleet Captains,

Happy New Year.

Etchells Fleet 4 was established fifty years ago in 1971 and, in celebration, we are hosting the 2021 US National Championship. Our Fleet and host club, Corinthian Yacht Club, are inviting Etchells sailors to join us June 17-20 for some great racing and Marblehead hospitality.

We are asking all Fleet Captains to spread the word among their Fleets and promote participation in our celebratory event. We are already encouraged by the registrations and expressions of interest by some of the top Etchells sailors and we promise to try our best to make this the top-notch event that our class deserves. There will be awards for Pro and Corinthian boats.

The Notice of Race and entry information can be found on [yachtscoring.com](http://yachtscoring.com).

Thank you for your help.

Best,

Paul V. McLaughlin
