This list represents our best guess, before the season starts, as to who will join and race in the 2025 season. The unassigned boats are available, if needed, to fill in for assigned boats that may not end up joining. If your assigned night does NOT work, please find a willing party to swap with from the "assigned" list. Please inform the Race (Jeff LePage, jwlepage90@gmail.com) or Social (Tim Caven, thcaven@gmail.com) officer if you have arranged a swap.
